

THRONE RANGER PICKUP CHECKLIST

Please complete each step before our team arrives for pickup. Thank you for using Throne Ranger!

Retract the Awning

Control is located in the Men's Restroom

Open the Mechanical Room

Locate and open the mechanical room to access the 12V converter

Turn Off All Switches on the 12V Converter

- Porch Lights
- AC Women
- AC Men's
- Awning
- Pump (if not already off)
- Stereo

Turn Off All Breakers

Go to the back of the trailer & open the breaker boxes.
Ensure all breakers are switched to the OFF position.

Lock Restroom Doors

Lock both the men's and women's restroom doors.

Place Keys in Mechanical Room

Place all keys inside the mechanical room, then lock and shut the mechanical room door securely.
